Official Memorandum.

Subject:--

Review on the statements received from the Deputy Commissioners of Districts, showing the progress made in the inspection of tanks by Revenue Officers and the maintenance of tank~~s~~ Registers, during the quarter ending 31st December 1935.

The reviews from the Deputy Commissioners are not being received in time. The review from the Deputy Commissioner, Shimoga was received so late as on 25th March 1936. It is expected that these returns will hereafter be submitted punctually.

2. It is seen from the reviews that some of the Amildars and the Sub Division Officers, particularly of Bangalore District have not been submitting their reports in the prescribed form. These officers should be directed to use the prescribed forms for the future returns.

3. It is seen that the Amildars and Sub Division Officers in general have not been taking sufficient pains to get the maintenance works to tanks done in a systematic manner. Of late the amount of estimates for the maintenance of tanks Restored ~~recovered~~ by Received from the Public Works Department come up to five times the assessment under the tank or even more which should be attributed to the subordinate Revenue Officers not taking timely steps for enforcing the ryots' liability for maintenance. The Deputy Commissioners are requested to issue necessary instructions in the matter.

4. It is being still reported that Tank Books are not being maintained for many tanks. There could be no excuse for this. The Deputy Commissioners of Districts are requested to see that the Registers are maintained and posted up-to-date wherever necessary without further delay.

D.O. A4 C.3092/35-36

Dated Chitaldrug, 24th June 1936.

Dear Sir,

I have your communication NO. 2878-85/C.B.156-35- 1 dated 12th June 1936. I beg to state in this connection that every attention is being paid to this important item of work. The attention of all Revenue Officers in this District is being drawn from time to time to the several standing orders in the matter. Its importance is also being impressed on all the officers by me in my tours in the District. This return is being submitted to the Revenue Commissioner fairly promptly from quarter to quarter. If there has been any delay in any quarter, it is due to the non-receipt of the return in time from the subordinate offices. I have this day issued necessary instructions again to the subordinate officers.

Yours sincerely,
